The screenshot shows a web browser window displaying the Springboard registration form. The form is titled 'Registration' and has a dark blue background. The form fields are as follows:

- Name:** First Name, Last Name, Gender (Male/Female), State, City.
- Email:** Email Address.
- Mobile:** Mobile Number.
- Address:** Address Line 1, Address Line 2, Pin Code.
- Educational Institute Name:** This field is highlighted with a red circle and a red arrow pointing to it. The dropdown menu is open, showing 'Other' as the selected option.
- Grade:** Graduate, Post Graduate.
- Phone Number:** Phone Number.
- I heard about Springboard from:** Blank.
- Also register as a volunteer:** Blank.

At the bottom of the form, there is a checkbox labeled 'I am a volunteer' and a green 'Next' button.

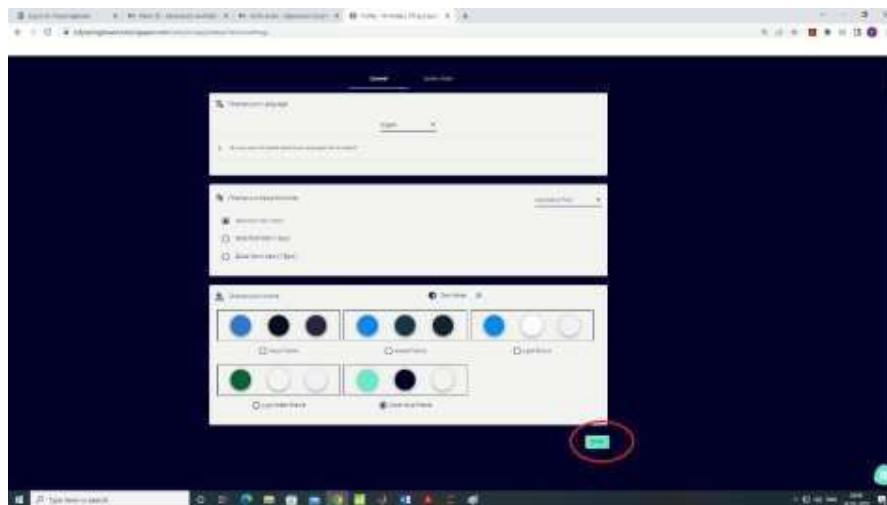

1. After clicking on the next button, you will be directed to the video which gives the information about the Infosys Springboard platform. Watch that video carefully and click on **Next** button.
2. You will get the window where you have to type your area of interest or you can select it from the available list. This will be used by the system for suggesting the courses related to your interest. (No need to bother much about the same.)

3. After selecting the areas of the interest click on the **Next** button.

4. You will find some options for selecting language and customizing view of the portal. You can customize or straight away click on the **Done** option.

5. You will be directed to the following page where you can search for the courses, enroll for the same and complete the courses.
